

**The wedding of Bryony Koorey & Sam Cherry (UK)
22 September 2010 at Phalosa**

Hi Cyra and Libby

We just wanted thank you both so much for making our wedding day the most perfect and beautiful day ever imaginable.

Everything from the flowers to the chairs to the food were exactly how we wanted them to be, and we were so impressed by how fantastically you made everything come together.

Both on the night and since, guests have been telling us non-stop what an amazing time they had, and have described the night as like a fairytale and like something out of Hollywood. Everyone was genuinely blown away, and Sam even had some male guests say to him quietly "thanks, how am I supposed to top this?"

It was such a pleasure working with you both the past two years planning the wedding. Cyra, thank you for your responses to all our queries, no matter how minor some of them may have seemed! You have been brilliant.

Your business partners, especially Ngurah and his team, were absolutely superb and we couldn't have asked for better service.

Thank you for recommending Richard for the photos, who was brilliant and made us both feel comfortable in front of the camera.

I personally would like to thank the both of you for being so calm and collected on the day. I felt quite stressed about the impending the rain, but every time either of you came up to the dressing room, you seemed so under control it calmed me down a little to be around you. Of course, I needn't had worried with your fantastic rain stopper at hand. Libby, your back stage dancing to my walking down the aisle song will make me laugh every time i think about it!

We cannot thank you enough for making our day all we wanted and more, and will certainly be recommending your services to anyone we know getting married in Bali.

Please feel free to use our wedding pictures or the above words as testimony wherever you see fit, once again you have both been a pleasure to work with.

We wish Elite Events all the best

Kind regards

Bryony and Sam Cherry
