

**Danielle And Niall McNamara's Wedding
3rd August 2009 at Villa Atas Ombak**

Dear Libby,

Here I am back in Sydney and back to reality. My time in Bali was an absolute dream. Can't wait to get back.

Lib - how can I express my thanks for the amazing job you did for Danielle and Niall's wedding? Words just cannot do justice. Everyone has been commenting on just how fantastic the event went. At the end of the day, Danielle said it was everything and more that she had dreamed of and would not have changed a single thing. Their friends are somewhat upset because they say the bar has been raised too high and there is no way they can match that for their own wedding (I told them to talk to Libby Doherty).

You organizational skills and attention to detail was unsurpassed. I was so very impressed with everything you had organized.

Please pass on my personal thanks to Bali Catering - the food was delicious. Thanks too to the the sound people. Nail artists, makeup and hair stylists, florist and anyone else I may have missed. All did a superb job.

Libby - it was a magical evening.
