

Martin and Helena Lamme's Wedding
21st May 2009 at Villa Devatas

Dear Cyra,

We're back in Sweden now and I miss Bali A LOT. Thanks to you, Libby, Bobby, Emily and Richard we had a wonderful, wonderful, wonderful, wonderful wedding. I have told everyone that I would not have changed one thing, if I could, and I truly mean it. I am a perfectionist, and there was absolutely nothing I could complain about the whole day. The absolute best thing for me was that I felt completely comfortable with you and Libby, and that you were so easygoing and nice people to have around. At first I felt a bit nervous about having "strangers" around on our wedding day, but after meeting you I just felt so comfortable with the whole thing:)

When I think about the wedding I feel so completely happy. Normally when we have parties at home I do everything, and am too stressed out to even think about having fun, but I wasn't nervous or stressed at all during the entire day. Can you believe that? And that's all thanks to YOU. :)

I could rave about you, and Elite Events forever I think, because I am so amazed about the service you provided and how personal everything felt. The atmosphere was amazing, the tables were so so beautiful, the food was perfect and the DJ was great. How is this even possible?? Amazing amazing amazing.

The only negative I can mention is that now that it's all over, I don't know how I am ever going to have such a wonderful time again. Maybe we should get a divorce and remarry next year;) Only half kidding here. We are already planning on going back to Bali though (maybe mum and dad could renew their vows!!)

I hope that my joy really gets through all the platitudes in this email, because I am so thankful Martin and I had you to help us make our wedding perfect. If you ever need recommendations I am more than happy to help you.

Finally, I would also like to recognize all your hard work, both before and during the wedding. I had so many questions, sent you so many crazy emails with so many details, so many changes and you were nothing but helpful and amazing throughout. That's certainly something to be proud of, and I really wish you, Libby and Emily all the best!

So, to end this email, a big big thank you for everything. Both Martin and I are so happy we hired you. Our wedding day is something I will never forget!

All the best to you Cyra,

Helena & Martin Lamme
