

**Natalie and Joseph Carter's Wedding
16th May 2009 at The Istana**

Dear Libby

Just a quick note to thank you very much indeed for everything you did to make sure that Natalie and Joe's wedding went off so smoothly. It was a huge success and your professionalism on the day played a very important part.

Thank you and I will make sure that anyone else who is looking to get married in Bali has your details.

Regards

Peter
