

**Paul & Rebecca's Wedding**  
**11<sup>th</sup> April 2008 at Villa Ombak Luwung**

*We are more than happy to recommend Elite Events to anyone intending on celebrating a wedding or other special occasion in Bali. We contacted Elite Events just 7 weeks prior to our intended wedding day...but Cyra, Libby and all the team took the challenge in their stride and managed to give us an absolutely perfect day!*

*All staff was extremely friendly and professional, providing regular updates and responding promptly to our millions of emails! They also arranged all of our function and guest accommodation, with the assistance of Elite Havens.*

*All of the stress and worry was taken out of our hands so that we could enjoy our day. And words cannot explain how pleased we were with the wedding....the venue, decorations, lighting, sound, flowers, photography, food, hair and make-up were all first class. But I think most of all, Cyra and Libby did a fantastic job of finding out the things we liked (and didn't like) and creating a stylish and elegant event which perfectly suited us.*

*One of our guests summed up the wedding as "simply stunning". We couldn't agree more, and thank everyone at Elite Events for making our day so special!*
